

# RED LIKE PASSION SWEET AS LOVE

From Modena, Italy, the birthplace of balsamic vinegar and home of prized charcuterie, comes a product without a culinary parallel. The authentic and rare Italian Black Amarena is at the heart of Toschi's Amarena Cherries. This plump and overtly juicy fruit is teeming with a combination of flavors both sweet and sour. The secret is the slightly bitter, natural taste that lingers after an initial burst of sweet cherry flavor, accompanied by a coveted, deep red sugary syrup. The unique candied process is of the highest quality standards, ideal in home kitchens, restaurants and bars.
